Pertinent Clinical Summary: (Attach supporting clinical records, if necessary).

*Authorizations will be given for medically necessary services only; it is not a guarantee of payment. Payment is subject to verification of member eligibility and to the limitations and exclusions of the member's contract. Emergencies do not require prior authorization (An emergency is a medical condition manifesting itself by acute symptoms of sufficient severity which could result, without immediate medical attention, in serious jeopardy to the health of an individual). *Urgent Care is defined as medically necessary treatment for an injury, illness, or other type of condition (usually not life threatening) which should be treated within 24 hours.*
