I have conducted a reasonable review of the facts regarding the therapy services recommended for the above referenced member, including a discussion with the parent regarding other services that are currently provided. Based upon my review and attestation from the parent, the member does not have an existing Individualized Educational Plan (IEP) or Individualized Family Service Plan (IFSP).

I understand that under my provider participation agreement, applicable regulators including the Centers for Medicare and Medicaid Services, and the Georgia Department of Community Health or their representatives may inspect and evaluate my records related to members and the provision of and payment for services to audit compliance with this review requirement, and other contractual requirements and federal and state laws and regulations.

**NOTE: If member does have an existing IEP or IFSP, it should be submitted, along with the request for treatment.**
