#### What to do now

**1. ASK:** Which changes apply to you

- ☐ Check the changes to our benefits and costs to see if they affect you.
  - Review the changes to Medical care costs (doctor, hospital).
  - Review the changes to our drug coverage, including authorization requirements and costs.
  - Think about how much you will spend on premiums, deductibles, and cost sharing.
- ☐ Check the changes in the 2024 "Drug List" to make sure the drugs you currently take are still covered.
- ☐ Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- ☐ Think about whether you are happy with our plan.

**2. COMPARE:** Learn about other plan choices

- ☐ Check coverage and costs of plans in your area. Use the Medicare Plan Finder at [www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare) website or review the list in the back of your *Medicare & You 2024* handbook.
- ☐ Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

**3. CHOOSE:** Decide whether you want to change your plan

- If you don't join another plan by December 7, 2023, you will stay in Wellcare Dual Access (HMO D-SNP).
- To **change to a different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2024**. This will end your enrollment with Wellcare Dual Access (HMO D-SNP).
- Look in Section 3, page 19 to learn more about your choices.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

Section 1.5 – Changes to Part D Prescription Drug Coverage

Changes to Our "Drug List"

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our "Drug List" is provided electronically.

We made changes to our "Drug List," which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the "Drug List" are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online "Drug List" to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

Changes to Prescription Drug Costs

There are four **drug payment stages**. The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

Stage	2023 (this year)	2024 (next year)
Stage 1: Yearly Deductible Stage	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

Changes to Your Cost Sharing in the Initial Coverage Stage

Stage	2023 (this year)	2024 (next year)
<p><b>Stage 2: Initial Coverage Stage</b></p> <p>During this stage, the plan pays its share of the cost of your drugs, and <b>you pay your share of the cost.</b></p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing. For information about the costs for a long-term supply or for mail-order prescriptions, look in Chapter 6 of your <i>Evidence of Coverage</i>.</p> <p>Most adult Part D vaccines are covered at no cost to you.</p> <p>Medicare approved Wellcare to provide lower copayments/co-insurance as part of the Value-Based Insurance Design program. This program lets Medicare try new ways to improve Medicare Advantage plans. For more information about VBID benefits, please contact Member Services.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>You pay a \$0 copay per prescription for all covered Part D drugs.</p> <hr/> <p>Once your total drug costs have reached \$4,660, you will move to the next stage (the Coverage Gap Stage).</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>You pay a \$0 copay per prescription for all covered Part D drugs.</p> <hr/> <p>Once your total drug costs have reached \$5,030, you will move to the next stage (the Coverage Gap Stage).</p>

### Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

**Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.**

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 2      Administrative Changes

The information in the Administrative Changes grid below reflects year over year changes to your plan that do not directly impact benefits or cost-shares.

## SECTION 3 Deciding Which Plan to Choose

### Section 3.1 – If you want to stay in Wellcare Dual Access (HMO D-SNP)

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Wellcare Dual Access (HMO D-SNP).

### Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

#### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](https://www.medicare.gov/plan-compare)), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

#### Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Wellcare Dual Access (HMO D-SNP).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Wellcare Dual Access (HMO D-SNP).
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
  - – or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

## SECTION 4 Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

## Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

Because you have Tennessee TennCare (Medicaid), you may be able to end your membership in our plan or switch to a different plan one time during each of the following **Special Enrollment Periods**:

- January to March
- April to June
- July to September

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 5 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Tennessee, the SHIP is called Tennessee State Health Insurance Assistance Program (SHIP).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Tennessee State Health Insurance Assistance Program (SHIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Tennessee State Health Insurance Assistance Program (SHIP) at 1-877-801-0044 (TTY users should call 1-800-848-0299). You can learn more about Tennessee State Health Insurance Assistance Program (SHIP) by visiting their website (<http://tnmedicarehelp.com/>).

For questions about your Tennessee TennCare (Medicaid) benefits, contact Tennessee TennCare (Medicaid) at 1-855-259-0701 (TTY 1-800-848-0299) 7 a.m. - 6 p.m. CT, Monday - Friday. Ask how joining another plan or returning to Original Medicare affects how you get your Tennessee TennCare (Medicaid) coverage.

## SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in “Extra Help”, also called the Low-Income Subsidy. “Extra Help” pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about “Extra Help”, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
  - Your State Medicaid Office (applications).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Tennessee AIDS Drug Assistance Program (ADAP). For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the Tennessee AIDS Drug Assistance Program (ADAP), 1-615-741-7500 (TTY 711) from 8 a.m. - 4:30 p.m. local time, Monday - Friday.
