About this plan & how to get care

Preferred Provider Organizations (PPOs) You'll enjoy the freedom and flexibility to access your health care where you want it and when you want it. You may seek care from any Medicare provider in the country who agrees to see you as a Medicare member, but you'll generally pay less when you use contracted providers in our network. Out-of-network providers may choose not to bill our plan and may ask you to pay for services up front. If this happens, you can fill out a claim form and submit it to us with a copy of the bill and any documentation you have about payments you have made.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for

more information, including the cost-sharing that applies to out-of-network services. PPO plans do not require a prior authorization or referral for out-of-network services.

Part D prescription drugs are covered. You have access to our large network of pharmacies. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. Our plans use a *formulary*. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare Simple Open (PPO) and Wellcare Assist Open (PPO) have a network of doctors, hospitals, pharmacies, and other providers. You may use doctors, hospitals and other providers that are not in our network, usually for a higher copay or coinsurance. You must generally use our network pharmacies for prescriptions covered under Part D drug benefit.

You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. You can see our plan's provider and pharmacy directory at go.wellcare.com/2026providerdirectories. Our complete plan Formulary (list of Part D prescription drugs) is on our website at H7326001000 Wellcare Simple Open (PPO): go.wellcare.com/druglist-6718; H7326007000 Wellcare Assist Open (PPO): go.wellcare.com/druglist-6712.

We cover the services and items in this document and the Evidence of Coverage if they are medically necessary.

Stage 3: Catastrophic Coverage Stage					
During this payment stage, the plan pays the full cost for your covered Part D drugs. You pay nothing for the rest of the calendar year.					
	You enter this stage after your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$2,100.		You enter this stage after your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$2,100.		

Generic drugs may be covered on tiers other than Tier 1 and Tier 2. Please check the plan's Formulary to validate the specific tier on which your drugs are covered.

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC)), home infusion, whether the pharmacy is in our preferred or standard network, or the day supply received. Mail order prescriptions are dispensed at a quantity of 35 days or more.

Excluded Drugs:

Wellcare Simple Open (PPO) include enhanced drug coverage of certain excluded drugs, such as Tier 1 folic acid, vitamin B12, vitamin D2, generic-only sildenafil and vardenafil. Generic sildenafil and vardenafil have a quantity limit of six pills every 30 days.

Because these drugs are excluded from Part D coverage under Medicare, they are not covered by Extra Help. Also, the amount you pay when you fill a prescription for these drugs does not count toward qualifying you for the Catastrophic Coverage Stage.

Please see your Formulary and Evidence of Coverage for details regarding this drug coverage.

Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage, and it can help you manage your drug costs by spreading them across monthly payments that vary throughout the year (January – December).

To learn more about this payment option, please contact us at 1-833-750-9969. (TTY only, call 1-800-716-3231.) We are available for phone calls 24 hours a day, 7 days a week or visit go.wellcare.com/MPPP.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 1-844-480-0680 (TTY: 711). Hours are Sunday-Saturday, 8 am to 8 pm.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit go.wellcare.com/Medicare or call 1-844-480-0680 (TTY: 711) to view a copy of the EOC. Hours are Sunday-Saturday, 8 am to 8 pm.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use. If you have a Marketplace plan, you will need to contact the Marketplace to cancel the plan. If you do not cancel your Marketplace plan, you may be paying for coverage you cannot use and there may be penalties on your next year's tax return.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.

Wellcare is the Medicare brand for Centene Corporation, an HMO, PPO, PFFS, PDP plan with a Medicare contract and is an approved Part D Sponsor. Our D-SNP plans have a contract with the state Medicaid program. Enrollment in our plans depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
