Here is your Staywell provider directory. It lists all of the providers in our network. These providers include:

- Primary care providers (PCPs) and specialists
- Hospitals
- Pharmacies

Each of these providers will make his or her own decisions about the care you need. Staywell is not responsible for these decisions. Some providers may not perform certain services due to their religious or moral beliefs.

We've listed all of the providers by county. Then we've grouped them together by the type of care or services they give. We've also included:

- The providers' addresses and phone numbers
- Symbols to tell you whether the provider is accepting new patients, board certified or wheelchair accessible

Telehealth Services let you visit with a provider by video so you can get care closer to home. You can receive services from a provider who doesn't have an office nearby. Telehealth works a lot like a normal office visit.

- Telehealth providers are Practitioners licensed within their scope of practice to perform the service.
- Telehealth services are provided using interactive telecommunications equipment that includes, at a minimum audio and video equipment permitting two-way, real time, interactive communication between you and the provider.
- Your information will be kept private.

We have a provider look-up tool on our website. Go to www.wellcare.com/Florida. Then click on the “Find a Provider” icon. You'll be able to search for providers right in your area. This is the best place to get our most current directory information.

Call us if you have questions about this directory. We can help you find a provider. We can even help set up an appointment for you. Our toll-free number is 1-866-334-7927. TTY users can call 711. You can reach us Monday-Friday, 8 a.m. to 7 p.m.

We wish you good health.

*PCMH stands for Patient Centered Medical Home. This is a way of giving care that involves a team of health care professionals. The team works together to meet the needs of each patient. Providers are placed in one of three levels; Level 1 (lowest), Level 2 and Level 3 (highest).
Este es su directorio de proveedores de Staywell. Aquí se listan todos los proveedores en nuestra red. Estos proveedores incluyen:

- Proveedores de cuidado primario (PCP) y especialistas
- Hospitales
- Farmacias

Cada uno de estos proveedores tomará sus propias decisiones sobre el cuidado que usted necesita. Staywell no es responsable de esas decisiones. Es posible que algunos proveedores no proporcionen ciertos servicios debido a sus creencias religiosas o morales.

Hemos listado a todos los proveedores por condado. Luego los hemos agrupado por el tipo de cuidado o servicios que ofrecen. También hemos incluido:

- Las direcciones y los números de teléfono de los proveedores
- Símbolos para indicarle si el proveedor está aceptando nuevos pacientes, si es certificado por una junta o si cuenta con acceso para silla de ruedas

Los Servicios de Telehealth le permiten visitar a un proveedor por video para que pueda recibir atención médica más cerca de su hogar. Puede recibir servicios de un proveedor que no tenga una oficina cercana. Telehealth funciona de manera muy parecida a una visita normal a la oficina.

- Los proveedores de Telehealth son profesionales médicos con licencia dentro de su ámbito de práctica para realizar el servicio.
- Los servicios de Telehealth se brindan con equipos de telecomunicaciones interactivos que incluyen, como mínimo, equipos de audio y video que permiten la comunicación interactiva bidireccional en tiempo real entre usted y el proveedor.
- Se mantendrá la confidencialidad de su información.

En nuestro sitio web contamos con una herramienta de búsqueda de proveedores. Visite www.wellcare.com/Florida. Luego haga clic en el ícono “Find a Provider” (Buscar un proveedor). Usted podrá buscar proveedores exactamente en su área. Este es el mejor lugar para obtener nuestra información de directorio más actual.

Si tiene alguna pregunta sobre este directorio, llámenos. Podemos ayudarle a encontrar un proveedor. Incluso podemos ayudarle a programar una cita. Nuestro número sin cargo es 1-866-334-7927. Los usuarios de TTY pueden llamar al 711. Puede comunicarse con nosotros de lunes a viernes de 8 a.m. a 7 p.m.

Le deseamos una buena salud.

*PCMH* se refiere a Hogar Médico Enfocado en el Paciente. Es una manera de proporcionar cuidado que involucra a un equipo de profesionales de la salud. El equipo trabaja en conjunto para satisfacer las necesidades de cada paciente. Los proveedores son asignados a uno de tres niveles: Nivel 1 (el más bajo), Nivel 2 y Nivel 3 (el más alto).

These are only some of the provider types. You can find a specific kind of provider in the Specialty Index. It can be found in the back of this book.

*Estos son solo algunos de los tipos de proveedores. Usted puede encontrar un tipo específico de proveedor en el Índice de especialidades que encontrará en la parte posterior de este libro.
Men anyè pwofesyonèl swen medikal Staywell lan. Li gen lis non pwofesyonèl swen medikal ki nan sistèm nou an. Nan pwofesyonèl swen medikal sa yo, gen:

- Doktè prensipal (PCP) ak espesyalis
- Lopital
- Famasi

Chak pwofesyonèl swen medikal sa yo pran pwòp desizyon pa yo konsènan swen ou bezwen an. Staywell pa responsab desizyon sa yo. Gen kèk pwofesyonèl swen medikal ki pa fè kèk sèvis poutèt kwayans relijye oswa kwayans moral.

Nou mete non pwofesyonèl swen medikal yo sou yon lis dapre konte kote to ye a. Lèfini, nou mete yo ansam an gwoup dapre kalite swen oswa sèvis yo fè yo. Epitou, nou mete:

- Adrés ak nimewo telefon pwofesyonèl swen medikal yo
- Senbòl ki pou fè ou konnen si pwofesyonèl swen medikal la ap aksepte nouvo malad, si pwofesyonèl swen medikal la sètifye oswa si klinik pwofesyonèl la aksesib pou moun ki sou chèz-woulant

Sèvis Telehealth yo kite w vizite yon founisè pa video yo fason pou w ka jwenn yon sèvis pi pre lakay. Ou ka resevwa sèvis nan men yon founisè ki pa gen yon biwo tou pre. Telehealth fonksyone anpil tankou yon vizit biwo nòmal.

- Founisè Telehealth yo se Pratrisyen lisansye nan domèn praktik yo pou yo ofri sèvis la.
- Yo ofri sèvis Telehealth yo ak ekipman entè-aktif ki gen ladan li, omwen yon ekipman odyo ak video ki pèmèt yon komunikasyon ale-retou, an tan reyèl, entè-aktif ant oumenm ak founisè a.
- Enfòmasyon w ap rete prive.
