

Requesting an Authorization for WellCare Medicaid Members in Georgia

To determine the need for an authorization from WellCare and the type of request to submit, a provider should refer to WellCare's Quick Reference Guide and the Provider Manual.

Requesting an Authorization for Planned Services

Requests for standard authorizations must be submitted at least 10 business days prior to planned services. WellCare is committed to a 48-hour turn-around-time on requests for prior authorization or pre-certification authorizations.

Authorization Guidelines

- **Refer to the Quick Reference Guide** – and/or the Provider Manual to ensure proper authorization or notification requirements.
- **List the related CPT Code(s)** – CPT codes must be included with authorization requests and claims submissions when applicable. A complete list of approved CPT codes not requiring an authorization is available on our Web site (<http://georgia.wellcare.com>) in the Provider Resources area, under Forms and Documents. You may also contact your Provider Relations representative to obtain a copy.
- **Include your fax number** – on the form submitted to ensure a prompt response to your authorization request.
- **Facility fax number** – WellCare will fax authorizations to the treating facility when this is specified on the authorization request and the facility's fax number is provided on the authorization form.
- **Consider timing** – WellCare is committed to respond to faxed requests for prior authorization in approximately 48 hours. However, by contract, the plan has up to fourteen (14) calendar days following the request to complete authorization determinations for non-urgent services.
- **Authorization date** – Authorizations are valid for the time noted on each WellCare authorization response.
- **Authorizations for multiple visits** – WellCare may grant multiple visits under one authorization when a plan of care shows medical necessity for this request.
- **Be sure to know when to request an authorization** – Failure to obtain the necessary prior authorization from WellCare could result in a denied claim.

Authorization does not guarantee payment. All services or procedures are subject to benefit coverage, limitations and exclusions as described in applicable plan coverage guidelines.
