Prima mensual del plan para las personas que obtienen Ayuda Adicional de
Medicare para pagar por sus costos de medicamentos con receta

Si usted recibe ayuda adicional de Medicare para pagar sus costos del plan de medicamentos con receta de Medicare, la prima mensual de su plan será más baja de lo que podría ser si no recibiera esta ayuda adicional de Medicare. El monto de la ayuda adicional que reciba determinará el total de su prima mensual del plan como miembro de nuestro plan.

Esta tabla le muestra cuál será su prima mensual del plan si usted recibe ayuda adicional.
