In order for a claim to be accepted and adjudicated, the claim must be received by Liberty within 90 days after the date of service for contracted providers and within 180 days after the date of service for non-contracted providers. In order for a claim to be considered a “complete claim,” it must contain, at a minimum, all the attachments and supplemental information or documentation needed to provide “reasonably relevant information” and “information necessary to determine payer liability” and the following information:

- Provider name and license number
- Provider facility address
- Member name, date of birth, and social security number
- Date(s) of service
- ADA/CDT 9 codes
- Billed charges for each services
- Provider tax ID number or social security number

The “complete claim” may be submitted electronically, via paper, or other agreed upon method. The attachments or supplemental information/documentation needed varies by provider type and service but must provide the minimum information to properly adjudicate the claim and determine payer liability. Although emergency services or out-of-area urgently needed services do not require authorization in order to be considered a “complete claim,” the claim must include documentation, including X-rays, that is immediately identifiable as emergent or out-of-area urgent.

PRIOR AUTHORIZATION (PA) REQUIREMENTS

This Fidelis Care Prior Authorization list supersedes any lists that have been distributed to our providers. Please ensure that older lists are replaced with this updated version. Authorization changes are denoted by a  symbol for easy identification. Requirements that have been edited for clarification only are denoted with a .

Fidelis Care supports the concept of the PCP as the “medical home” for its members. PCPs may refer members to network specialists when services will be rendered at an office, clinic or free-standing facility. **A written or faxed script to the specialist is required.** The reason for the referral and the name of the specialist must be documented in the medical record. **The specialist must document receipt of the request for a consultation and the reason for the referral in the medical record.** No communication with the plan is necessary. Specialists may not refer members directly to other specialists.

To check the status of a prior authorization (medical, behavioral, pharmacy, dental) or changes to a prior authorization, please call: **Provider Services** at **1-888-453-2534** or visit provider.fideliscarenj.com.

For information regarding the status of a prior authorization for LTC (PCA, Medical Day Care, PDN, or HCBS), please call **1-855-642-6185**.
