WELLCARE'S PRIOR AUTHORIZATION (PA) LIST:

For full list of Prior Authorizations requirements access www.wellcare.com/en/New-Jersey/Providers/Authorization-Lookup

PRIOR AUTHORIZATION (PA) REQUIREMENTS

This WellCare Prior Authorization list supersedes any lists that have been distributed to our providers. Please ensure that older lists are replaced with this updated version. Authorization changes are denoted by a ⚐ symbol for easy identification. Requirements that have been edited for clarification only are denoted with a ⓘ symbol.

WellCare supports the concept of the PCP as the "medical home" for its members. PCPs may refer members to network specialists when services will be rendered at an office, clinic or free-standing facility. **A written or faxed script to the specialist is required.** The reason for the referral and the name of the specialist must be documented in the medical record. **The specialist must document receipt of the request for a consultation and the reason for the referral in the medical record.** No communication with the plan is necessary. Specialists may not refer members directly to other specialists.

To check the status of a prior authorization (medical, behavioral, pharmacy, dental) or changes to a prior authorization, please call: **Provider Services** at **1-888-453-2534** or visit **provider.wellcare.com**

For information regarding the status of a prior authorization for LTC (PCA, Medical Day Care, PDN, or HCBS), please call **1-855-642-6185**.

Please include **CPT and ICD-10 codes** with your authorization request. Standard authorization requests may be submitted **online** or via fax using the numbers listed below if you are unable to access the portal with your secure login at **https://provider.wellcare.com**.
